

## **PROF. JOHN ROY ROBERT SEARL DIARY.**

TUESDAY 24<sup>TH</sup> JULY 2007.

TIME ARRIVED 1516 hours

TIE DEPART 1815 hours.

Photo 1. Luci from NYC Photo 2. Gessia Photo 3 Mirco from Italy.

Mirco brought me a large amount of Cheese plus a bottle of wine as a gift will keep me going for a time. Mirco wanted to meet me personally to invite me to his factory to inspect it for the purpose to manufacture S.E.G layers.

He handed me this Document:

### **MISSIONE DI RICERCATORE LIBERO**

23 Luglio 2007

**CON IL PREZIOSO AIUTO DEL PROF. JOHN ROY ROBERT SEARL  
REALIZZARE IN ITALIA IL S.E.G.  
PER  
CREARE UN SISTEMA ENERGETICO A BASSISSIMO COSTO LIBERO E NON  
INQUINANTE  
PER  
LA SOPRAVIVENZA DELLA SPECIE UMANA**

Ing. Mirco Gregori. And signed.

The translator Gessia wrote this;  
With the precious help of Prof. John Roy Robert Searl realizing in Italy the S.E.G. to create a system of energy at a very low cost free and non-polluting for the continuation of the human race.

And signed

I hereby announce that Italy is now joining this R&D program as from this date above.
